News from Family Promise of Linn County

## CELEBRATING A MILESTONE

On February 15, FPLC staff, board members and volunteers joined together with local elected officials, nonprofit partners and faith communities to celebrate the completion of our newly remodeled shelter space at St. Stephen's Lutheran Church.

This included an official ribbon-cutting ceremony with ambassadors from the Cedar Rapids Metro Economic Alliance, and a supply drive to provide breakfast items for the FPLC shelter program, which plans to open up its doors on April 1.

KCRG highlighted the opening in a news story that same evening, which you can read [here](#).
